A maximum of RMB 10 million will be awarded to companies that are first introduced into Chengdu Hi-Tech Industrial Development Zone (CDHT).

Enterprises confirmed to set up their headquarters in CDHT will be awarded proportionally according to the paid-in registered capital within one year from the date of registration, with a maximum of RMB 100 million.
For new projects with a minimum total investment of RMB 500 million or $50 million, and the registered capital is paid over 20% within one year from the date of registration, the award will be given proportionally according to the paid-in registered capital, with a maximum of RMB 100 million.

For projects with registered capital increment of minimum RMB 500 million or $50 million and with over 20% of newly-increased registered capital paid within one year from the date of registration change, the award will be given proportionally according to the paid-in newly-increased registered capital, with a maximum of RMB 100 million.

Article 2:
The Paid-In Capital Award
For enterprises upgrading their headquarters and with over 20% of registered capital paid within one year from the date of registration change, the award will be given proportionally according to the newly-increased paid-in registered capital, **with a maximum of RMB 50 million**.
For institutions or organizations providing information on, and facilitating the contracting and industrial and commercial registration of, investment projects, from high-level 500 enterprises, listed enterprises (enterprises successfully listed on the domestic and overseas main board markets) and unicorn enterprises with a minimum registered capital of RMB 50 million or $5 million, the one-off award will be given as 1% of the paid-in registered capital (1% for financial companies) if over 20% of the registered capital is paid within one year from the date of registration.

The maximum amount of this one-off award is RMB 3 million with additional RMB 500,000 if the investment comes from newly introduced Fortune Global 500 enterprises.
Article 5: The Equity Investment Institutions Award

If an equity investment (management) institution introduces an enterprise with a minimum registered capital of RMB 50 million or $5 million, and 20% of the registered capital is paid within one year from the date of registration, the one-off award will be given as 1% of the paid-in capital (1‰ for financial companies) subjecting to a maximum of RMB 3 million.

An additional award of RMB 500,000 will be given if the enterprise is a newly introduced Fortune Global 500 enterprise or a joint venture partnered with Global 500 enterprises.
This policy is applicable to enterprises that guarantee they complete their industrial and commercial registration, and tax procedures in, and report statistics to CDHT, with a commitment of an actual operation period of over 10 years. It is also applicable to investment intermediaries and equity investment (management) institutions that help with introducing projects to CDHT. Real-estate projects and companies are excluded.

- The Chengdu High-tech Zone Management Committee is responsible for the interpretation of this policy. Each case will be considered based on its individual merits. The funding recipients must legally pay taxes caused by any award.

- This policy will come into effect thirty days after its declaration, August 7th, and stay in effect for three years.

**Notes:**

1. High-Level 500 Enterprises refer to those among Fortune Global 500 enterprises, Fortune Aerican 500 companies, Fortune Chinese 500 enterprises, top 500 private enterprises, top 500 companies in the service industry and top 500 companies in new economy, who complete their industrial and commercial registration, and tax procedures in CDHT and report statistics to CDHT.

2. Investment Intermediaries refer to institutions providing project information and contributing to project implementation, including Chinese and foreign enterprises, social societies, economic organizations, professional agencies, as well as industry associations, but excluding project investors, government agencies and public institutions.
